Lazear School Vision

At Lazear Charter Academy we are change agents who use quality education as a tool to dismantle systems of oppression. We exist because of the power, resilience, and love of the families of the Fruitvale, and we leverage that strength in all we do. Guided by love and connection, we develop whole people with the belief that our academic, social, and emotional potential is unlimited. We know that access to opportunity and an equitable education is our human right and we use a multidisciplinary STEAM program to cultivate empathetic systems thinkers and lifelong learners who ask critical questions, create innovative solutions to complex problems, and express ideas confidently. This approach empowers world citizens who advocate for equity, justice, and the change we want to see in the world.

CULTURE, VALUES & DISCIPLINE POLICIES

At Lazear Charter Academy, we practice Positive Behavioral Interventions & Supports (PBIS). As part of this philosophy, we believe:

- All young people can learn.
- All young people deserve respect, for themselves, their families, and their cultures.
- All adults at Lazear Charter Academy share responsibility for all young people.
- All adults must hold and maintain high expectations for learning and behavior for all young people.
- All adults can work to build the assets that young people need for healthy development.
- Behavior and expectations must be taught.
- Because young people have different needs, they will need different types of support.

Who We Are: Our Values

- **Ganas-** we set goals and persevere through challenges and failure to see success academically and personally.
- **Responsibility-** we take ownership over our own actions, learning and personal success. We advocate for what we need to be successful and come prepared. We try to understand and engage in the world around us and take initiative to support the wellbeing of everyone in our community.

- **Empathy**- when encountering a new or challenging situation, we are able to put ourselves in someone else’s shoes, understand their perspective, and take that into consideration in our interactions with others. We feel what others feel.
- **Team**- we only succeed when we all succeed. We support and care for all members of our community and work in true partnership with families and community members. We come together to joyously celebrate traditions and moments of triumph, and to discuss our collective responsibility for hard realities.

What We Do: Personal Standards (i.e. Rules)

- Show respect/show self respect
- Make Good Decisions
- Solve Your Problems

How We Do It

School/Home Communication-

- We will use our communication platform, **ParentSquare**, to communicate with families. We encourage all families to download the ParentSquare App to utilize all the benefits of our parent communication platform including updated information and a calendar with all events.
- At the end of each month, we will post a monthly newsletter which provides an overview of the upcoming month's events and activities from the principal.
- Staff members are available to respond to phone calls, emails and ParentSquare messages between working hours of 8am-4pm. Any communication sent outside of working hours will be responded to during the next day's working hours, but please allow for 24-48 hours for staff to respond. Urgent needs should go through the office (510-689-2000). Meetings should be scheduled in advance with the staff member.

Parents & Family Classroom Visits & Observations-

- We expect our families and teachers to work closely together to support their student's learning and growth. Family members are welcomed to sit in on classes as visitors and observers if this is arranged with teachers ahead of time; but we also encourage you to come and volunteer to support teachers and staff by making copies, filing papers, supporting in the cafeteria or other tasks as identified by the school. There is a lot to do and appreciate all the support of our volunteers.
- In the first two months of Kindergarten, parents and family members will not be permitted to stay in class with students. It is important for these students to get used to being at school without their parents and need their parents to leave at the beginning of the day to ensure that happens.
- Being a visitor and observer in the classroom means sitting quietly. It is not appropriate to: ask to speak with your student's teacher while they are teaching; doing the work for your student; or scolding or disciplining any other student in the classroom.

Parents & Families Volunteering at Lazear-

- Volunteering and visiting classrooms is encouraged and must be pre-arranged so as to not disrupt learning in the classroom.
- Our teachers can always use support in the classroom! Families, please contact your teacher to find out ways to support your student's teacher. Teachers should be reaching out to families for help in their classroom. This could look like:
 - Help preparing materials for projects and classroom activities
 - Making copies for lessons or homework
 - Organizing class libraries or other classroom systems
 - Many more things- talk to the teacher!
- We also always need volunteers for other activities outside the classroom. We are lucky to have a Parent Coordinator at Lazear, Rocio Gonzalez (rgonzalez@efcps.net). Please contact her if you wish to volunteer for events outside of your student's classroom.

- Family volunteers should not take photos of students that are not their own.
- We expect our parents and families to treat all students and staff members with respect, use appropriate language, and conduct themselves professionally. If this is violated, the ability to be a volunteer or visitor at the school may be revoked.

Classroom Assignments-

- We do our best to create classes at the start of the year that balance and account for a large variety of factors.
- While we make that best effort, with new students and staff, we reserve the right to make changes to class rosters throughout the year as needed.
- We specifically examine classes two weeks after the start of the school year to ensure balance. At that time, students may be moved between classes.
- Any changes to a student's homeroom will be communicated to family and students prior to any changes happening.

SCHOOL-WIDE POLICIES

Arrival:

- Breakfast is served from 7:45-8:20am.
- Options for dropping off students in cars:
 - Family members can drive into the school parking lot, drive to the ramp in front of the office, and let students enter school.
 - If you plan to walk your student into school, you cannot block other cars in the parking lot or on 29th Ave. You must pull into an available, designated parking space in the Lazear parking lot, or along the curb on 29th Ave. to walk your student in. If no spaces are available, families may do one of the following:
 - Parents can park in the East 10th St. neighborhood and students can cross East 10th St. to the 29th Ave. entrance. A crossing guard will be on duty to help escort students across the street.
 - Parents can park in FoodMaxx and walk to the front of the school. This is not designated Lazear parking and doing so may result in fines or your car being towed so choose this option with caution.
 - Parents **cannot** double-park on 29th Ave. to walk students into school. This blocks traffic and forces students to be late to school. We ask police to patrol the area in the morning and ticket any car that is double-parked.
- Options for walking students to school:
 - Use the main entrance on 29th Ave. and walk students to the playground until the bell rings.
- Breakfast will be served in the cafeteria starting at 7:45am. Students who eat breakfast should arrive by 8:10am to have enough time to eat breakfast before school starts.
- If students are not eating breakfast, they should not arrive before 8:10am as there is no supervision on the yard until 8:10am. Any student arriving before 8:10am must go directly to the cafeteria.
- Teachers are assigned to morning supervision. They must be at their designated area of supervision by 8:10am.
- After students arrive on campus, they are not permitted to leave campus. If a student leaves campus after arriving (ex: goes to Starbucks or FoodMax) the student will receive consequences laid out in the discipline handbook and will have a meeting between admin and parent.
- Students form lines outside their classrooms after the bell rings at 8:25am.
- As soon as the 8:25am bell rings, teachers lead students to the classroom.
- **Any student not in the classroom by the 8:30am bell are tardy and must get a tardy pass from the office.**
- No pets should accompany parents onto campus for dismissal, arrival or any other time they are visiting campus.

Attendance:

- Students are asked to line up in front of their classroom by 8:25am.
- Parents picking up students early from school, must go to the office to check their student out, and wait for their student there. The only reason a student should leave early is for an appointment, family emergency, or due to illness.
- **To prevent loss of learning time, students will not be permitted to be signed out early between 2:45-3:15pm without proof of an appointment.**

Punctuality:

- Students arriving after the 8:30am bell are considered **late** and **must** report to the office for a tardy slip.
- Students arriving after 8:30am who report to class without a pass **need to be sent to the front office.**
- Upper School students arriving late to classes throughout the day should also report to the front office for a tardy slip.
 - Upper School students who have an unexcused tardy to class will be assigned lunch detention.

Visitors:

- All visitors must report to the office, sign in using the visitor's log, and wear a visitor's ID badge.
- All visitors must sign out in the front office before leaving campus.
- All staff members on campus should direct all visitors to the front office to sign in and receive a visitor's pass.
- Any deliveries (lunches, jackets, etc.) to students should be made through the office.
- Parents are welcome to volunteer during lunchtime and throughout the day. They should contact Rocio Gonzalez, Parent Coordinator, to learn how they can help.
- If a family member is bringing lunch to eat with a student:
 - They must sign in at the office
 - Parents and students are not permitted to eat in the cafeteria. They can eat at any of the tables outside the cafeteria (this is state law).
 - Parents must come DURING the child's lunch time. See the lunch schedule at the end of this document.
 - Please see the nutrition guide to determine what type of food students should be eating during the day on campus to support learning.
- No pets should accompany parents onto campus for dismissal, arrival or any other time they are visiting campus.
- We expect our parents and families to treat all students and staff members with respect, use appropriate language, and conduct themselves professionally. If this is violated, the ability to be a volunteer or visitor at the school may be revoked.

Dismissal:

- **No students will be released from school without a parent signature.** If a student is ill, they must be picked up by an approved family member; they will not be permitted to leave alone. This applies to all students TK-8th grade.
- For security reasons, parents will be asked to wait for their children in the community courtyard.
- At 3:10pm/1:25pm, if the student hasn't been picked up, the teacher walks students to the shade structure to wait there.
- Students who are not attending the after school program need to depart campus no later than 10 minutes after dismissal.

Absences & Independent Study:

- Being absent from class decreases a student's ability to learn. It is difficult to succeed if a student misses too much work, because it is hard to catch up. In addition, absent students lose interest in school, which results in low academic performance. Although truancy has known effects on individuals, truancy has negative effects on the overall learning environment.

- Any student who is absent (Excused or Unexcused) 10% or more of their days enrolled is considered chronically absent. In a case where a student is chronically absent, a meeting will be held with the School Attendance Review Team to create a contract to improve student attendance. If absences continue to occur, the school will refer the parents to a School Attendance Review Board at the District Home Office where a plan will be developed. If that plan is not completed, the parents may be referred to the Alameda County District Attorney.
- 3 unexcused absences and/or tardies more than 30 min will generate a SART meeting to implement an attendance contract.
 - Absences from school are excused only in cases of personal illness, injury, or medical appointment (a Medical Verification note may be required), family illness, an emergency situation requiring the student to be absent from school, quarantine of the home by local health officials, death of an immediate relative (limited to three days, unless reasonable cause can be shown for a longer absence), court hearing, observance of a religious holiday consistent with student's established beliefs or creed, attendance at naturalization ceremony, and certain justifiable personal reasons.
- Absences must be excused within **3 days** from the date of the absence.
- After a student has 10 unexcused absences for the year, any further absences require a doctor's note in order to be excused. Absences without a doctor's note will be unexcused after 10 unexcused absences.
- Failure to meet expectations of attendance contract will lead to SARB and possible legal prosecution for truancy.
- If it is known that a student will be out for more than 2 days, students will need to participate in independent study.
- Parents need to request independent study **two weeks** before the absence will begin. If it is an emergency medical situation, a parent should come in as soon as possible to pick up work for the student.
- A student can be on independent study for up to **14 days**. If the student does not return from Independent Study, after 10 days of unexcused absences the student will be exited from the school and the spot will be opened to students on the waitlist. **Independent study beyond 14 school days will not be approved as per state guidelines from the California Department of Education.**
 - The work from independent study must be turned into the office staff for accounting purposes, **not to the student's teacher. The process must begin and end with the office staff.**

Electronics:

- Electronics from home may not be used on campus. Lazear will not be liable for any lost or stolen electronics as they should remain at home.
- Upper School students who bring a cell phone will be required to turn off their phones, turn them in during their first period to the provided container, and containers with cell phones will be stored in the office until the end of day.  - The teacher meets with the student to explain that an alleged violation has occurred and contacts the student's parents/family to explain what has happened and how the student actions may be in violation of this policy.
 - If the Coach/Admin team concludes that a violation has occurred:
 - Teacher writes a referral so evidence of the violation(s) can be filed.
 - Admin will write an incident report including consequences and notify student(s), family, and grade level team of the outcome of the investigation/ consequences

Consequences:

1st Violation	Referral + 1-2 days detention (student completes teacher-determined make up assignment; this may include online Zearn/Khan Academy, Front Row, etc.) + Parent call; Pending loss of privilege/participation in school activity
2nd Violation	Referral + in-school-suspension (½ day) to complete Academic Integrity presentation + Parent conference + loss of privilege/participation in school activity
3rd Violation	Referral + 3 days detention + a mandatory after school study hall to take assessment with Dean or Admin; Possible parent shadow day

NOTE: It is up to the teacher's discretion to rescind or amend a letter of recommendation for a student who has violated this policy.

Nutrition Policy:

Overview: Healthy nutrition is closely tied to learning, students ability to be focused in class everyday and get the most out of school. We want to ensure students are building healthy habits they can continue throughout their lives. This includes developing an understanding of how to exercise moderation in their intake of foods that are less healthy. During school hours (including students participating in the After School Program), foods containing high levels of sugar, processed foods and foods high in fat are not allowed to be consumed on campus.

Examples of foods that promote student health and learning: whole foods with little sugar, salt or fat, such as popcorn without butter, fruit with lemon and chile, turkey dogs, aguas frescas with non-sugar sweeteners (pina, fresa, guayaba, Jamaica, sandia, horchata, etc.), nachos (with real cheese, beans, tomatoes, etc), pizza with salad, **popped or baked** chips, real fruit popsicles (paletas), fruit snack made from real juice, etc.

Examples of foods that do not promote student health and learning: processed foods with high amounts of sugar, salt or fat, such as candy, cupcakes, chips, Hot Cheetos, Takis, cookies, churros, donuts, ice-cream, soda, juice boxes, popsicles, sweetened iced tea, Gatorade, energy drinks, and gum.

Parents wishing to bring in treats and snacks for celebrations are asked to bring items that promote student health and learning like the ones listed above or other items that are natural and low in sugar. We expect parents to coordinate with teachers if they plan on bringing anything into the classroom for students. Teachers will use their discretion about when to distribute food to their class.

Food being sold during fundraising events should always be coordinated with Rocio Gonzalez and the Principal. Items will be sold after school and will always include healthy options for students and families. If a student has non-permitted food, the food will be confiscated from the student:

- First Offense = Confiscated until end of day
- Second/Ongoing Offense = Thrown away

Uniforms:

- Transitioning kindergarten through fourth grade students are expected to wear a navy blue polo shirt and solid black pants or jeans, skirts, or shorts, every day.
- 5th through 8th grade students are expected to wear a gray polo shirt and black pants or jeans, skirts to the knee, or shorts to the knee, every day. Thin leggings or ripped/torn jeans are not appropriate for school and are considered out of uniform.
- Skirts and shorts should be knee-length, or worn with leggings. No clothing should be see-through or have inappropriate logos, pictures, etc. for school. Students should **not** wear gang-affiliated clothing or paraphernalia. The school reserves the right to determine what constitutes whether an item is considered gang-affiliated.
- If a student is out of uniform (with or without a note):
 - Student will be sent to the office and the student will be issued a loaner uniform to wear.
 - Parent will be called to bring the student uniform or informed that if the student does not bring back the loaner clothing, the parent will be charged.
 - For 5th through 8th grade, if a student is out of uniform and doesn't have a note, then they will receive a lunch detention that day.
- Sweatshirts (outerwear) must be solid navy blue (TK-4th) or solid gray (5th-8th). Heavy jackets may be worn to school and removed in class. All classes are equipped with heaters.
- Hats and hoods should be removed inside the classroom to promote learning and community in the classroom.
- Any questions or concerns about uniform policy, please speak with the Principal.

Health & Safety Procedures:

- Every classroom has a first aid kit that teachers should utilize for non-emergency medical issues.
- Families of students with prescription medication must provide the office with an authorization for medication form completed by a doctor. The doctor should also indicate if the medicine should stay with the student to self-medicate or remain in the office. School staff are not allowed to administer medication to students; this includes over-the-counter medicine.
- All gates and entrances must remain locked all day, including during the afterschool program. All staff and visitors who enter or leave campus **MUST** lock the gates behind them. **Only office staff should allow gate entrance during school hours.**

McKinney-Vento Site Contact

- The McKinney-Vento Homeless Assistance Act (McKinney-Vento Act) (42 U.S.C. § 11431-11435) is federal legislation that ensures the educational rights and protections of children and youths experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youths. The McKinney-Vento Act defines LEAs as public school districts, direct-funded and locally funded charter schools, and county offices of education. The McKinney-Vento Act also authorizes the funding for the federal Education for Homeless Children and Youths Program.
- Lazear Charter Academy, as our own LEA, is dedicated to ensuring the educational rights and protections of children experiencing homelessness, as detailed in the McKinney-Vento Act. The McKinney-Vento site contact is Lazear's Site Operations Manager, Natalie Soto. Ms. Soto can be reached at: nsoto@efcps.net (510) 689-2000.

Suicide Prevention Policy:

- The purpose of EFC's Suicide Prevention Policy is to protect the health and well-being of all EFC students by having procedures in place to prevent, assess the risk of, intervene in, and respond to suicide. Please visit EFC's website to view the policy in its entirety at:
https://docs.google.com/document/d/1tIVFpmUMs9HckABfBzD300rnEbdH3NHC8gYMbgy4_w0/edit?usp=sharing

School Materials Policy:

- **Technology:**
 - The Education for Change network is intended for educational purposes. Access to online content via the network may be restricted in accordance with our policies. Students are expected to follow the same rules for good behavior and respectful conduct online as offline. Misuse of school resources can result in disciplinary action.
 - Students are responsible for the general care of any technology they have been issued by the school. Technology that is broken, or fails to work properly, must be submitted to school administration. **Families must pay** a fee to recover or replace any lost, stolen, and/or damaged school hardware or software due to misuse or negligence by the student.
 - In addition, please see the technology acceptable use policy you signed as part of your enrollment packet. If you have any questions, please see our office staff. Violations of this policy may have disciplinary repercussions, including suspension of network, technology, or computer privileges, notification to parents, community service or suspension from school and school-related activities, and legal action and/or prosecution. To regain these privileges students will be put on contract until the inappropriate behavior has been modified.
- **Books & Other Materials:** Any books or materials that are misused, damaged, not returned at the end of year, or are returned in poor condition, will be charged to the family of the student.

8th Grade Promotion Requirements:

- We are excited to celebrate sending off our 8th graders to high school, college and beyond! In order to participate in the promotion ceremony, students must meet promotion requirements.

These requirements align with our school values and support our 8th grade students to take responsibility as leaders of our school.

- **Ganas:** To demonstrate our value of ganas, students must complete at least 70% of the work in **all** of their classes and not receive any **zeros** on their report card. Work completion includes work completed in class as well as homework. Students should be checking in with their teachers to determine if they are on track to meet this requirement. Students and families will also receive updates during parent conferences.
 - **Responsibility:** To demonstrate our value of responsibility, students must maintain an average attendance rate of 95% (no more than 3 days absent per trimester). If a student is severely ill, a family member can provide a doctor's note to excuse the absences and students will be expected to make up the work. Absences in excess of the three days per trimester without a doctor's note will not be excused.
 - **Empathy:** To demonstrate our value of empathy, students should maintain appropriate behavior while at school. Students receiving more than 5 major referrals throughout the year will not be permitted to participate in the promotion activities.
 - **Team:** To demonstrate our value of team, all 8th grade students will be required to complete and document 10 hours of community service. There will be opportunities to help out at school functions throughout the year. Students can also complete these hours outside of school at their church, helping coach younger siblings on sports teams, etc. Students will be given a tracker towards the beginning of the year and are responsible for tracking their hours.
- Students and families will receive updates during conferences and individually if students are not meeting any of these expectations as soon as we are aware.
 - Students who have individualized education plans (IEPs) will work with their teachers and principal to determine how to adjust these requirements to meet the needs laid out in their education plans.

If you are a single parent/guardian and can prove that you are working or going to school past 3:00pm you will receive 10 points. Parents/guardians must provide a copy of their school schedule and/or work schedule, signed by a manager when filling out their application in June.

EDUCATION FOR CHANGE

ATTENDANCE POLICY

Every minute of a child's time at school is important. Children who are absent for even one day, or who arrive late to school, miss valuable instruction time and can easily fall behind in school. When a student is absent from school, it results in a loss of funding for our schools, funding that the State does not reimburse our schools. As a parent or guardian, you are obligated to send your child to school and plan vacation trips and absences for personal reasons to correspond with school holidays so that the education process is not disrupted.

ABSENCES:

Reporting/Clearing an Absence:

- If your child will be absent, please phone the main office or stop by the main office to notify and give reason to absence.
- If your child is marked absent and the office has not received a phone call or notice of absence, you will receive a call from the school.
- Absences must be cleared within 3 days; otherwise it will be considered an unexcused absence.
- Repeated absences for health reasons will require a doctor's note
- Students may be withdrawn from classes and placed on inactive status if 10 consecutive days of absence occur (5 to start the year) and the parents have failed to contact school staff to make arrangements.

Excused Absences:

The following conditions *may* excuse a student from school attendance:

- Personal illness or injury (A Medical Verification note may be required by the school attendance clerk or school principal after 2 days.)
- Medical Appointment for student
- Exclusion for failure to present evidence of immunizations
- Quarantine of the home by local health officials
- Attending a funeral service of a member of the student's immediate family (limited to one day, unless reasonable cause can be shown for a longer absence)
- Observance of a religious holiday, consistent with student's established beliefs or creed
- Attendance at naturalization ceremony

Tardies:

- Students shall arrive at school and be in the classroom at the properly scheduled time. Habitual tardiness, according to California law (Ed Code. 48260-48273), is truancy and will be treated as such.
- Students are considered tardy when they arrive after the second bell rings and within 29 minutes of class. After the 30 minutes it is considered as a truant tardy, except for medical reasons
- Student must pick up a tardy pass from the office before entering class.
- If your child is arriving late to school for any reason, the parent or guardian must call the office before the student's arrival. The student MUST pick up an "admit to class" pass from the office before entering class; otherwise it will be considered an unexcused absence.

Truancy:

- In California, all children are required by law to attend school between the ages of 6 and 18, and must have good attendance records as well. If the student is under the age of 6, the school is still required to follow the same procedure as student becomes our responsibility to stay in school.
- 3 Unexcused Absences and/or tardies more than 30 minutes will generate a SART meeting to implement an attendance contract.
- Failure to meet expectations of attendance contract will lead to SARB at the District Home Office where a plan will be developed. If that plan is not completed, the parents may be referred to the Alameda County District Attorney.

Chronically Absent:

Any student who is absent (Excused or Unexcused) for more than 10 percent of their days enrolled is considered chronically absent. Chronic absence causes extended loss of instructional time. Extended loss of instructional time leads to students falling behind and possible retention. In a case where a student is chronically absent, a meeting will be held with the School Attendance Review Team to create a contract to improve student attendance. If absences continue to occur, the school will refer the parents to a School Attendance Review Board at the District Home Office where a plan will be developed. If that plan is not completed, the parents may be referred to the Alameda County District Attorney.

Independent Study:

If you know your child is going to be out for more than two days, an Independent Study Contract may be assigned to that student upon approval from the school. The initial request should be made in the main office. Please stop by the front office in advance and pick up an Independent Studies contract so that class assignments can be provided and the guardian can sign the contract. An Independent Study contract is provided as an alternative instructional strategy, not an alternative curriculum. Independent study students work independently, according to a written agreement and under the general supervision of a credential teacher.

Early Dismissal of Students

- Students leaving before the end of the school day are dismissed through the school office. They are not allowed to wait in front of the building or to enter cars unless accompanied by a parent. These rules are necessary to ensure student safety. You must come to the office to sign your child out.
- Early dismissal will not be granted to any student 30 minutes prior to dismissal time unless a Doctor's note is provided to dismiss the child early.
- We will ask to see identification of any person we do not know and will not release a child to a babysitter, step-parent or friend without prior authorization.

EDUCATION FOR CHANGE

Policy: Pupil Suspensions and Expulsions

Purpose: To promote learning and protect the safety and well being of all students

Revised 3.8.18

Code of Conduct

The goal of the Education for Change is to operate schools that foster student self-discipline in a warm, supportive school climate that is conducive to maximum learning for all students. All EFC schools will develop site-specific Codes of Conduct as general guides for behavior, but not as mechanisms for rigid control. To ensure success for ALL children, the individual personalities of students or extenuating circumstances will always be considered before corrective measures are prescribed. (*Reference Ed Code Sections 48900 and 48915 and Health and Safety Code 11007*) Codes of conduct will be presented in student/parent handbooks. Every family will receive a new copy of the Parent-Student Handbook annually.

The following policy on suspension and expulsion will be included in all EFC schools' handbooks.

Suspension and Expulsion

The following Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at Education for Change Public Schools.

EFC fundamentally believes that providing an orderly, safe, and warm classroom and school environment is the foundation for positive behavior in children and a comprehensive Response to Intervention model is the vehicle through which to support ALL children to respond positively in that environment. When children break rules in an orderly, safe and warm environment, EFC believes there is a logical root cause for that behavior which must be addressed. There is minimal research to support suspending and expelling children, and research verifies that African-American and Hispanic students are disproportionately impacted. Therefore, EFC expects its schools to develop a positive school culture, provide social emotional learning, and implement the behavioral interventions necessary to minimize the need for out-of-school suspension or expulsion.

Staff shall enforce disciplinary rules and procedures fairly, respectfully and consistently among all students while considering the needs of individual children. School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The EFC administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and

Procedures are available on request at the Principal's office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom a school has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures. EFC schools will follow all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom EFC schools has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by EFC for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the student's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the student shall remain enrolled and shall not be removed until EFC issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

If it is determined by the Administrative Panel or Governing Board that a student has brought a fire arm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. C. *Suspension Procedure*

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Principal or the Principal's designee with the student and his or her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Principal. The conference may be omitted if the Principal or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i).

This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of suspension, the Principal or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of Expulsion by the Superintendent of Schools, the pupil and the pupil's parent/guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when EFC has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents/guardians, unless the pupil and the pupil's parents/guardians fail to attend the conference.

This determination will be made by the Chief of Schools upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

D. Student Work/Homework during Out-of-School Suspension

Whenever possible, EFC tries to avoid assigning out of school suspensions to students. We do not believe that removing a student from the school community and denying them access to curriculum instruction is aligned to our vision or is an appropriate strategy to redirect unwanted behaviors. As such, in-school alternative workplans are more commonly assigned allowing students to not only complete assignments but also continue to receive instruction. When out-of-school suspensions must be assigned, EFC compiles a series of assignments (consistent with the daily hour requirements of independent study) that allows student to complete missing/incomplete assignments and practice previously taught skills. These assignments are turned in upon completion of the suspension.

E. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Board following a hearing before it or by the Board upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board as needed. The Administrative Panel shall consist of at least three (3) members who are certificated and neither a teacher of the pupil or a Board member of the EFC's governing board. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

F. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Principal or designee determines that the Pupil has committed an expellable offense.

In the event an administrative panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of the School's disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment
5. The opportunity for the student or the student's parent/guardian to appear in person and/ or to employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses

G. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

EFC may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations, which shall be examined only by EFC, Panel Chair or the hearing officer in the expulsion. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying
2. EFC must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony
3. At the discretion of the person or panel conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding entity finds is disrupting the hearing. The person conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, EFC must present evidence that the witness' presence is both desired by the witness and will be helpful to EFC. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped

depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

H. *Students With Disabilities*

A pupil identified as an individual with disabilities or for whom EFC has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for disciplinary action, including suspension and expulsion, and is accorded the same due process procedures applicable to regular education pupils except when federal and state law mandates additional or different procedures. EFC will follow the IDEIA, Section 504, and all applicable federal and state laws when imposing any form of discipline on a pupil identified as an individual with disabilities or for whom EFC has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such pupils. The following procedures shall be followed when a student with a disability is considered for suspension or expulsion. These procedures will be updated if there is a change in the law.

1. NOTIFICATION OF SELPA

EFC shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA the discipline of any student with a disability or student who EFC or SELPA would be deemed to have knowledge that the student had a disability.

2. SERVICES DURING SUSPENSION

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP or 504 plan; and receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. PROCEDURAL SAFEGUARDS/MANIFESTATION DETERMINATION

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, EFC, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504

If EFC, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If EFC, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment, and implement a behavioral intervention plan for such child, provided that EFC had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior
- c. Return the child to the placement from which the child was removed, unless the parent and EFC agree to a change of placement as part of the modification of the behavioral intervention plan

If EFC, the parent, and relevant members of the IEP/504 team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504, then EFC may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. DUE PROCESS APPEALS

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or EFC believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or EFC, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and EFC agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. SPECIAL CIRCUMSTANCES

Education for Change Public Schools personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function

- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function
- c. Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function

6. INTERIM ALTERNATIVE EDUCATIONAL SETTING

The student's interim alternative educational setting shall be determined by the student's IEP/504 team.

7. PROCEDURES FOR STUDENTS NOT YET ELIGIBLE FOR SPECIAL EDUCATION SERVICES

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated the district's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if EFC had knowledge that the student was disabled before the behavior occurred.

EFC shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to EFC's supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services
- b. The parent has requested an evaluation of the child
- c. The child's teacher, or other School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other School supervisory personnel

If EFC knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If EFC had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline.

EFC shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by EFC pending the results of the evaluation.

EFC shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

I. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

J. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the expulsion-hearing panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

K. Written Notice to Expel

The Principal or designee following a decision of the Board to expel shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- a. Notice of the specific offense committed by the student
- b. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with EFC

The Principal or designee shall send a copy of the written notice of the decision to expel to the County.

This notice shall include the following:

- a. The student's name
- b. The specific expellable offense committed by the student

The Board's decision to expel shall be final.

L. Disciplinary Records

EFC shall maintain records of all student suspensions and expulsions at EFC. Such records shall be made available to the Authorizer upon request.

M. Expelled Pupils/Alternative Education

Parents or guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence.

N. Rehabilitation Plans

Students who are expelled from EFC shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to EFC for readmission.

O. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board following a meeting with the Principal and the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to EFC environment. The Principal shall make a recommendation to the Board following the meeting regarding his or her determination. The pupil's readmission is also contingent upon EFC's capacity at the time the student seeks readmission.

This complaint procedure is adopted to provide a uniform system of complaint processing for the following types of complaints:

The Charter School will investigate all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group as identified in EC sections 200, 220 and California Government Code section 11135, including any actual or perceived characteristics as set forth in Penal Code section 422.55 or on the basis or a person’s association with a person or group with one or more of these actual or perceived characteristics in any program or activity conducted by the LEA, which is funded directly by, or that receives or benefits from any state.

The Charter School acknowledges and respects every individual's rights to privacy. Complaints shall be investigated in a manner that protects [to the greatest extent reasonably possible] the confidentiality of the parties and the integrity of the process. While the Charter School cannot guarantee anonymity of the complainant, this includes keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Chief Executive Officer ("CEO") or designee on a case-by-case basis.

The Charter School prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination, harassment, intimidation, or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant. Complainants are protected from retaliation.

Compliance Officers

The Governing Board designates the following compliance officer(s) to receive and investigate complaints and to ensure the Charter School's compliance with law:

Larissa Adam
Superintendent of Schools
Education for Change
333 Hegenberger Road, Suite 600
Oakland, CA 94621
510-759-1331

The CEO or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the CEO or designee.

Should the complaint be specific to the CEO, the complaint will be directed to and the investigation will be conducted by the Board Chair.

Notifications

The CEO or designee shall annually provide written notification of the Charter School's uniform complaint procedures to students, employees, parents/guardians, the Governing Board, appropriate private officials or representatives, and other interested parties.

The CEO or designee shall make available copies of the Charter School's uniform complaint procedures free of charge.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints.
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal laws, if applicable.

3. Advise the complainant of the appeal process pursuant to Education Code Section 262.3, including the complainant's right to take the complaint directly to the California Department of Education ("CDE") or to pursue remedies before civil courts or other public agencies.
4. Include statements that:
 - a. The Charter School is primarily responsible for compliance with state and federal laws and regulations;
 - b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline;
 - c. An unlawful discrimination, harassment, intimidation, or bullying complaint must be filed not later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying;
 - d. The complainant has a right to appeal the Charter School's decision to the CDE by filing a written appeal within 15 days of receiving the Charter School's decision; and
 - e. The appeal to the CDE must include a copy of the complaint filed with the Charter School and a copy of the Charter School's decision.

General Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- **Step 1: Filing of Complaint**

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the Charter School.

A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date when the alleged discrimination, harassment, intimidation, or bullying occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation, or bullying.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Charter School staff shall assist him/her in the filing of the complaint.

- Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of a complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- Step 4: Response

OPTION 1:

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the Charter School's investigation and

decision, as described in Step #5 below, within 60 days of the Charter School's receipt of the complaint.

OPTION 2:

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the Charter School's investigation and decision, as described in Step #5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60 day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the Charter School's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant.

- Step 5: Final Written Decision

The Charter School's decision shall be in writing and sent to the complainant. The Charter School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the Charter School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For discrimination complaints arising under state law, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For discrimination complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the Charter School's

expectations. The report shall not give any further information as to the nature of the disciplinary action.

Specific Procedures for Particular Complaints

If the Charter School finds merit in a complaint regarding Pupil Fees; Local Control and Accountability Plan (LCAP); Education of Pupils in Foster Care, Pupils who are Homeless, former Juvenile Court Pupils now enrolled in a school district, and pupils in military families; Reasonable Accommodations to a Lactating Pupil; Course Periods without Educational Content (grades nine through twelve); and Physical Education Instructional Minutes (grades one through eight), the Charter School shall provide a remedy. The remedy shall go to the affected pupil in the case of complaints regarding:

1. Course Periods without Educational Content;
2. Reasonable Accommodations to a Lactating Pupil, and/or
3. Education of Pupils in Foster Care, Pupils who are Homeless, former Juvenile Court Pupils now enrolled in our school district, and pupils in military families.

The remedy shall go to all affected pupils and parents/guardians in the case of complaints regarding:

1. Pupil Fees
2. Physical Education Instructional Minutes, and/or
3. LCAPS.

Regarding pupil fees and/or an LCAP complaint:

A pupil fees complaint may be filed with the principal of a school or the Charter School Compliance Officer. A pupil fees complaint and/or an LCAP complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A pupil fees complaint shall be filed no later than one year from the date the alleged violation occurred. The Charter School will attempt in good faith to engage in reasonable efforts to identify and fully reimburse all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint.

Appeals to the California Department of Education

If dissatisfied with the Charter School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the Charter School's decision.

Upon notification by the CDE that the complainant has appealed the Charter School's decision, the CEO or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.

3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the Charter School has not taken action within 60 days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints arising under state law, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
